Let's strive to progress india- let's be an idol to the whole world.

YOUNG BOYS AND GIRLS- COME AND JOIN HANDS WITH US. MAKE THE FORCE STRONGER. Aiming for the development of India, and striving for the welfare of students, S.S.S emerged. It is almost 65 years since we got Independence. But still India remained as a developing country. Taking Dr. Abdul Kalam's words, for the upcoming of the youth and development of India as an inspiration, S.S.S makes a call to the youth of A.P. as it is the time for getting started to eradicate illiteracy and poverty. It helps to solve the problems of the students peacefully and also make them experts in academics during their student life. For a man who has zeal to do, nothing is impossible. He can achieve anything and make it possible. Money is not a criterion for a person to become great. He should have the quality of hardworking and great attitude. If you courageously make a step forward then, victory automatically moves 10 steps towards you.

Students Service Society is conducting following programs.

- ❖ Conducting coaching classes to make the students aware whenever job melas are conducted in various universities and colleges.
